Overview

The Prairie Otolaryngology Weekend is designed to provide Otolaryngologist-Head & Neck Surgeons from Manitoba and Saskatchewan an opportunity for continuing professional development.

During this conference, participants will be able to:

- 1) discuss recent innovations in the management of OTO-HNS patients
- 2) Discuss complex cases with subspecialties to ensure optimal patient care
- 3) Network with colleagues from this large geographic area to discuss management of common conditions and current issues common to our specialty

This program will be of interest to:

Otolaryngologist-Head & Neck Surgeons, Otolaryngology-Head & Neck Surgery Residents and Fellows, and Medical Students from Manitoba and Saskatchewan

The contents of this program are subject to change.
